

Creating Student, Group and Classroom GIST Mobile Accounts via Teacher's Account

1. Log into your gistplan.com account with email and password. Select the 'Account' Link to get to you 'My Account' page.

2. On the 'My Account' page select the 'Create student accounts' button. Note, this button will only appear for teachers that have activated their GIST mobile Instructor account. A GIST Mobile Instructor account can be activated via promotion code or purchase in the GIST Online Store.

3. Create Student Accounts by giving the student or group a name (First and Last) along with an email. A Student account does need to have a valid email address but teachers will need to remember it and the password they create in order to log into the student mobile account.

Enter student information: Your Students:

First Name	Last Name	Email
Group	Number 1	group101@gistplan.com
Group	Number 2	group102@gistplan.com

Name and Email

Default Password:

Promo Code:

[Home](#) | [About GIST](#) | [Products](#) | [Resources](#) | [Account](#) | [Contact](#) © 2005–2014 Velvet Bridge, LLC

4. A promotion code on the 'Create Student Account' page is also required in order to start the 1-year subscription and activate the account. The promotion code keeps track of the number of teacher and student subscriptions. Once the name, email, password and promo code are completed, select 'Submit' button.

First Name	Last Name	Email
Group	Number 1	group101@gistplan.com
Group	Number 2	group102@gistplan.com

Default Password:
